As each one has received a gift, use it to serve one another as good stewards of God’s varied grace.

– 1 Peter 4:10

Founded in 2001, Interfaith Volunteers is a charitable nonprofit organization that helps seniors and persons with disabilities live comfortable, safe, independent lives in their own home.

Interfaith Volunteers fulfills this mission in a variety of ways but primarily by deploying volunteers to assist homeowners with building wheelchair ramps, making minor home modifications, providing rides for medical appointments and errands, and making companionship visits.

Formerly known as Lakes Area Interfaith Caregivers, our organization is committed to keeping seniors stay safe and comfortable in their homes.

Interfaith Volunteers provides a variety of services including:

- construction of wheelchair ramps, low-rise steps, or other handicapped access
- rides to medical appointments, shopping, and errands
- minor home repair
- occasional housekeeping, meal preparation, lawn care, and snow removal
- home visits, either in person or by phone, as needed
- care and companionship to poor, disabled, or isolated elderly

We depend on grant funders and loyal donors to support our work. In fact, over 60% of our revenue is from financial contributions made by local individuals and businesses. We accept mailed checks, online donations using credit cards, or in-kind contributions.

With this support, we are able to help more people live safe and fulfilling lives. We hope you consider supporting Interfaith Volunteer’s mission with a contribution!

Can you….

- swing a hammer,
- reach a high shelf,
- drive a car,
- hold a hand, or
- simply listen and be a friend?

We depend on a network of over 350 dedicated volunteers to construct dozens of wheelchair ramps, drive tens-of-thousands of miles, and make hundreds of home visits each year. We hope you consider sharing your time with us!
